ROCKY (Shaun Lovell) Five Acres Farm
Hovefields

13 August 2010

Dear Tom,

I saw Shaun Lovell, known as Rocky, at Five Acres Farm, Hovefields, Yesterday.

He told me that he has been for a homeless interview and included on His application John Ox, Kathleen Rooney, and their teenage daughter.

He made it plain to the housing officer that he did not want bricks-and-mortar accommodation but a place where the household could located their mobile-home, two touring caravans and a utility unit.

The same day I saw him he was expecting to attend a psychiatric assessment appointment. He is not currently receiving any medication.

I enclose his legal aid forms.
